The plastic mat ministry began in November 2024. We are a group of women who work from home or at our meetings every Friday from 1:00-3:00pm in the fellowship hall. We have many skill levels-you can volunteer to flatten bags, cut bags, roll balls of plarn (plastic yarn) or crochet or do ALL 4 parts! We presented five mats to be blessed at church on December 29, 2024.

**We welcome new members.
We will show you how it is done!
Great time of Christian fellowship!**

Words of Encouragement

The Door to Your World

One of John Wesley's absolutes was that a person's road to righteousness was totally dependent on the grace and mercy of God. He held firm that our ability to become righteous had nothing to do with ourselves but only through the presence of the Holy Spirit working in and through the lives of Disciples of Jesus Christ. It is through God's Spirit that we are constantly being shaped, molded, and transformed into His likeness. Becoming like Jesus is a long, slow process of growth. Growing into righteousness is a gradual process and will take the rest of our lives. In Paul's letter to the church of Ephesus he emphasized that our spiritual journey *"will continue until we are...mature, just as Christ is, and we will be completely like him."* Wesley contended that we can be vessels that bear the love of God to the world and share the treasures of his grace only if the vessel of our soul is daily refilled, only if we feed upon our daily bread that is the manna of grace. In essence, it is the responsibility of all disciples to make disciples for the transformation of the world. As Christians, it is our personal accountability to Jesus' call to the Great Commandment (Matthew 22:35-40) and the Great Commission (Matthew 28:16-20) if we are to build His kingdom.

Wesley identifies in his sermon, The Means of Grace, that God works in mysterious ways to reach out and touch his people in their quest for spiritual maturity. Wesley defines them as outward signs, word, or actions ordained of God...to be the ordinary channels whereby he might convey to men presenting, justifying, or sanctifying grace. Wesley recognized that holiness of word, thought, and action were not possible by nature or a desire to do good; they were possible only through the cultivation of what Wesley called holy tempers, of which love is the greatest and the source of all other tempers. The tempers are habitual dispositions of the heart that allow the actualization of our intention to be holy. Yet, such tempers, though at times spontaneously infused by sanctifying grace, more often need to be nurtured through a cultivated relationship with the Spirit.

These forms of grace are both internal and external in nature. Piety is an inward work of grace that will bring forth an awakening presence of God that touches our heart. Through the intentional practices in the spiritual disciplines of prayer, Bible study, meditation, worship, evangelism, and communion we are constantly growing in our awareness of God presence in directing our lives. Even more than the disciplines of piety, works of grace through mercy express God's love to a hurting world that so desperately

needs witness to the Gospel of the Good News. In the Book of Ephesians, it outlines our true purpose as it relates to how we have been called to serve others. *"It is God himself who has made us what we are and given us new lives from Jesus Christ; and long ages ago he planned that we should spend these lives in helping others."* Grace of mercy include doing good works, visiting the sick/homebound, visiting those in prison, feeding the hungry, and passionately attending to the needs of others.

As Christians, we should always be alert to God's presence in seeking justice, ending oppression and discrimination, and addressing the needs of the poor. In retrospect, throughout the years God has moved and directed me into various church leadership positions (different churches / denominations), teaching assignments, mission work, lay speaking and certified teaching, Stephen Ministry, and Bible Study Fellowship to just name a few. It would be hard for me to pinpoint the exact means of grace or spiritual discipline that has been most meaningful. I'm kind of that piece of gray clay that God has been molding for a long time and still is in the design stage. At various crossroads of my spiritual journey, he has always positioned me in areas that have deepened my faith and enriched my life. In all these situations it is now evident that they were the foundation to a greater overall **purpose** he had me being prepared for – to serve and love the least, lost and lonely. I surely accept the blessing He gives in Romans 8:28 *"In all things Gods works for the good of those who love him, who have been called according to his purpose."*

Cindy and I hope that this year brings you the "alleluia celebration" that opens your hearts and minds to further pursue God's purpose for your life. Always remember that in discovering your purpose you must turn to God's Word, not the world's wisdom. You must build your life on eternal truths, not the latest and greatest pop-up culture of the day. The Bible says, *"This is the message from the one who is holy and true. He has the key that belonged to David, and when he opens a door, no one can close it, and when he closes it, no one can open it. I know your deeds; I know that you have a little power; you have followed my teaching and have been faithful to me. I have opened a door in front of you, which no one can close."*

Let's not ever forget, we are "the most loving place in town!"

Did you Know?

This February at Knightsville Methodist we will celebrate **I am Second** day on 23 February...but the actual day of worldwide celebration is February 22 or 2.22. What is **I am second**? When did it start and how will we participate at KMC? These are all good questions.

In 2008, a small group of Christians in the Dallas-Ft. Worth area met to discuss their mutual calling **to share the hope of Jesus** to their hometown. The conversation quickly moved to a bigger vision and key question: *How to convey that hope to as many people as possible.*

That question was answered with three words: **I Am Second**. Through the art of storytelling/testimonies, they captured raw stories of real people talking about the **real Jesus** who **transformed their lives for the better**. And we at KMC all have our transformed stories to share as well.

Today, **I Am Second** has grown into a global movement. **The iamsecond.com**, site is where people can now watch the stories and find next steps in their life journey.. The website is filled with people who have put God First and then take part in the ongoing process of living like Jesus, serving like Jesus and loving like Jesus. We get to share His story – the gospel – with others to weave us all together in community. These are the things we at KMC presently do and we want to continue. If you are not doing this or need help, then then **the I am second** wristband may help you.

On Sunday 23 February our worship service will focus on the idea of being second and putting God first in our lives. I am Second wristbands will be presented to everyone during worship. Participation is purely voluntary. A Spiritual Vitamin about how to put God first will be the message of the day.

Susan and I have participated in this program since 2011, and it has been a joy to answer questions when people ask us: **What does that mean?** We tell them that we put Jesus first in our lives. That is it. If they ask more...then we shared more of our faith story. In many cases we offered our wristband to the person who asked the question. Many take it and begin to immediately wear it. Then on Sunday during Joys and Concerns, we get to share the story about that person and the interaction and pick up a new wristband and start all over again just waiting for someone to ask us. **What does that mean?** We just smile and get excited about sharing one more time.

The wristband is a conversation starter...It makes it easy for folks, who are not comfortable about sharing, to answer the question and give a short testimony. We hope you will step up during worship on February 23 and join the movement. **I am second. Have you put Jesus first?**

Pastor Bill Masciangelo

Meet Your Pastor

Pastor Bill Masciangelo is a native of Pine Beach, NJ. He graduated from Admiral Farragut Academy; a Naval Academy Preparatory school prior to attending St. Francis University for four years graduating with a teaching degree with a history concentration. Upon completion of his degree, he was commissioned as a 2nd Lieutenant in the United States Marine Corps.

His last four years in the Marine Corps were spent serving as the Marine Corps Representative at the Naval Command College working with senior naval Officers and their families from over forty countries.

Pastor Bill is the author of the "Military Reunion Handbook: A Guide for Reunion Planners." One of his favorite memories, while working closely with veterans, was his two-week experience escorting WWII veterans back to Normandy for the 50th Anniversary of the D-Day invasion.

After his retirement from the Marine Corps after 20 years as a Lieutenant Colonel and a servant-leader, Pastor Bill then entered his second career; Hospitality. Here he honed his service and hospitality skills with such companies as Sheraton Hotels, Holiday Inn Hotels and Wyndham Hotels and Resorts. Pastor Bill served in a variety of operational, sales and marketing positions, with these major hotel companies.

Sunday School Classes

Kingdom Heirs is an interactive Sunday school class where attendees share in each others lives from week to week. We believe that everyone in our class is fully capable of teaching life lessons. David and Tricia Beal facilitate discussions and encourage everyone to participate in the current lesson. We are currently working on a six week Bible study based on "It's a Wonderful Life" this lesson will take us through the end of the year. Our next bible series will begin in early 2025. This lesson is from the book "Twelve Ordinary Men" and is an in depth study of the twelve disciples.

The **Sue Knight** Sunday School Class has been in meeting at Knightsville Methodist Church for over 3 decades. It is a class made up of mature older adults, both singles and couples, who gather weekly in a circle of love arrangement to support and add to the spiritual maturity of its members through weekly Bible study, prayer and Christian fellowship. The class is led by the husband-and-wife team of Shawn and Dianne Boykin, and you can always count on a study that brings life lessons right out of the pages of God's word.

New Adult Sunday School class.... **Abundant Life**

Due to the growth of our current adult Sunday School Classes and to provide the opportunity for more people to attend and actively participate in the discussions, we have decided to start an additional class for adults. This class will begin on Sunday January 5th and will be facilitated by Jim and Martha Vaughn. The inaugural class curriculum will be Great Characters of the Bible by Dr. Alan Stringfellow. This is the study of characters of ordinary people that God used to accomplish extraordinary tasks. The class reviews what scripture reveals about each character and how God used them. Our first week we studied Adam. Next will be Eve then Cain, Able, and Seth followed by Noah and his sons. We are looking forward to learning and deepening our understanding of how God has blessed us. The class will tentatively meet in room 104 across from the pastor's office and the designated Sunday School hour which is generally 10am. Study books will be furnished at no cost to participants.

The **Purpose Driven** Adult Sunday School Class is a welcoming, prayer centered, interactive space where we delve deeply into scripture through discussion and personal reflection, aiming to apply biblical teachings to our everyday lives, fostering a strong sense of community and fellowship among members while encouraging open questions and diverse perspectives on the text; it's not just about learning facts, but about real-life application and spiritual growth together. *We are currently going through the book of Revelation*

Prayer Shawl Ministry

Do you know how to knit or crochet?

Do you want to learn?

A group of women meet once a month to gather these prayer shawls, pass out free donated yarn, and visit as they work. Most of the shawls get completed at home and brought back the next month.

A shawl can be any size. 12 inches by 40 inches or think of a large scarf and that would be a place to start. As you knit or crochet pray over you work for those who will be receiving the Shawl. They are given to Pastor Robert to take to shut ins, visitations at hospitals and nursing homes. It allows the receiver to know someone has prayed for them and they are not forgotten.

Come one, come all – 3rd Tuesday morning of every month at 10:00 AM in the Fellowship Hall. The next meeting is December 17th. P.S. Men can learn too. Find a new hobby and join us in this mission. For more information call Ginger Atwell 843-693-0859.

Who's Who in Church Music

**Knightsville Global Methodist Church Traditional Choir Member
Michael Anthony "Tony" Smith**

I have been a member at KMC for approximately 31 years and have been a member of the choir for almost that same length of time. Singing in the choir is one of my "Happy Places." It's where I can go and forget about the difficulties of life and just enjoy being with friends and doing what I love to do. For whatever talent I may (or may not have), I try to use it to His Glory.

Some of my favorite genres of music are rock & roll, country, and hymns. My favorite musicians are Bob Seger and George Strait. My favorite color overall is probably blue. However, when it comes to sports, I bleed Garnet and Black (USC) and "The Old Gold and Black" (Wofford College). My favorite brand of donuts is Krispy Kreme! Born in the Carolinas, just like Pepsi, however Dunkin probably has better coffee. My favorite holiday is a tie between Thanksgiving and Christmas although my birthday is on Halloween. I love the magic and wonder of Christmas but enjoy the simplicity and warmth of Thanksgiving.

I retired in 2008 as a Senior Special Agent with US Immigration & Customs Enforcement (ICE). That agency is now known as Homeland Security Investigations (HSI). From 2008-2014, I was a full-time instructor at the Federal Law Enforcement Training Center in Charleston. Since 2014 I've been an instructor there on an "as-needed" basis. Since 2013 I have also been a commissioned South Carolina State Constable, which is somewhat like a reserve police officer. Also, as a side gig, I am a mobile DJ for parties, dances, weddings, etc. I am "DJ-T!"

My two favorite scriptures are Luke 2: 1-2 -The story of the birth of Jesus and Ecclesiastes 5:18-19-This is what I have observed to be good: that is appropriate for a person to eat, to drink and to find satisfaction in their toil - some labor under the sun during the few days of life God has given them - for this is their lot. Moreover, when God gives someone wealth and possessions, and the ability to enjoy them, to accept their lot and be happy in their toil - this is a gift of God.

Christ caring for people through people

STEPHEN MINISTRY

The Stephen Ministry was started in 1975 by pastor and Clinical Psychologist Kenneth Haugk. Stephen Ministers are not counselors; they are trained lay caregivers. Their role is to listen and care – not to give advice or counsel. Stephen Ministers listen, understand, accept, and pray for you as you go through a struggle or life challenge. They are also trained to recognize if your needs exceed what they can provide.

More than 13,000 congregations are enrolled in the Stephen Ministry and represent at least 190 Christian denominations in the U.S., Canada and 30 other countries. In addition, more than 600,000 people have trained as Stephen Ministers (5 of them here at KMC).

The name “Stephen” comes from St. Stephen, who was the first lay person commissioned by the apostles to provide caring ministry to those in need (as recorded in Acts 6).

“We care, but only God can cure.”

Your active Stephen Ministry team at KMC is: Dianne Boykin, Amber Cathey, Doug Hammond, Pam Hoard, and Peggy Lawton. For more information contact Pam Hoard.

Kairos Prison Ministry

Kairos Inside Prison Ministry is an active ministry at KMC. Lieber Correctional Institute (Men) and Camille Graham (Women) are blessed by KMC’s commitment to love the least, the lost, and the lonely.

The Spring Weekend at Camille will be **March 20th–23rd, 2025**. You can lend your support by purchasing cookies or salty snacks, praying and giving financially. Please contact Lisa Patrick, Tricia Beal, Florence Lewis-Coker, or Dianne Boykin to learn more.

DISCIPLE 1

Becoming Disciples Through Bible Study

I wonder who made me and my world. If there is a creator, what is this creator like? Why was I made? Scientists say some rocks are billions of years old and stars millions of light years away. In a universe so big, surely, I am only a speck of dust.

Does God really have anything to do with me?
Does the Bible have any answers or power to offer me?

The goal of Disciple 1 is to develop disciples for Jesus Christ who know and love God’s Word. Throughout this study, you will be reading Scripture. As you read it, take notes and write down your reflections and/or questions in your manual. Daily assignments will guide you in reading the Bible, your manual, and preparing you for your next group get together.

Pastor Bill and Susan Masciangelo
will be leading these weekly study groups starting:
March 11th thru May 27th on
Tuesday evenings from 6-8 pm and
Thursday mornings from 10 am-12 pm
In the Fellowship Hall Stephen Miller Conference Room

Participants will need to register for the class by February 23rd.

Email Pastor Bill for more details:
pastorbill@knightsvillemc.org

Coming in 2025, Transformational Small Groups!

What is a Transformational Small Group?

A "Transformational Small Group" takes place in a small group setting, designed to facilitate significant personal growth and spiritual development among its members through deep sharing, accountability, and intentional focus on applying teachings to daily life, leading to meaningful life changes and a closer relationship with God; it goes beyond just studying information to actively cultivate transformation in individuals within the group.

Key points about Transformational Small Groups:

- Deep relationships**- Members build strong connections with each other, fostering a safe space for vulnerability and honest sharing.
- Active participation**- Emphasis on applying teachings to personal situations and actively reflecting on how to live out faith in daily life.
- Accountability**- Group members hold each other accountable for their commitments and spiritual growth.
- Leader focus**- Leaders are trained to guide meaningful discussions and encourage personal reflection.
- Kingdom-oriented**- Focus on how to live out faith in service to others and advancing God's kingdom

The wait is over! I am blessed beyond belief to announce to you that a new small group experience at Knightsville Methodist Church is ready to launch. You have been hearing about it for several months and now we are finally ready to begin to form groups.

First, let me give you a brief introduction. The name says it all. **Going Deeper**, because we seek believers who have a desire to go deeper in many aspects of their relationship with Jesus Christ and others in their small group of fellow believers. The **TLC** part of the name is a catchy way to describe what happens to a group participant as they "Go Deeper." They begin to experience TLC that is "Transforming our Lives through Christ" as a by-product of meeting weekly to pray for the Holy Spirit to come and join them as each member of the group has a "**Sharing The Faith**" moment. While sharing your faith with each other you will talk with each other about your daily and regular **Acts of Piety**, that keep you centered on God's Word. You will share and hear about specific events and times from the past week where you **felt the presence of Christ** walking beside you in your life. You will share, and hear about encounters where you had the opportunity **to be God's beacon of hope for somebody**. In addition, you will share how you and the others feel that **your faith has been tested**. Individually you will declare and hear from others about their **plan for study and action for the coming week**, in order to see our lives through the lens of Christ. Finally, the group will intimately **share prayer requests, concerns and praises**. Sounds a little different, right?

This may sound intimidating to some, but don't discount the transformational power of developing close knit bonds with other believers and hearing that we all have the same fears, trials and tribulations. There is something miraculously transforming when you hear stories from others as they recall times from their week where they encountered a situation or event where they felt the closeness of Christ. You will begin to look for and note these occurrences in your own lives, just so you can share at the next small group meeting. And as you transform, your group members will transform. And as the groups transform, our church will begin to transform as well.

Well, are you ready to blast off with us?

Here is a list of the current groups that are open to join. In order to add some identification to the groups we are calling the groups TLC "followed by the name of a first century Christianity town or village." The groups are limited to 6 members to insure confidence and intimacy. The meetings will be weekly and the time limit of 60-75 minutes will be stringently adhered to. Find a group that you are interested in and reach out to the leader by phone and claim your spot.

Our Mission

The Global Methodist Church exists to make disciples of Jesus Christ and spread scriptural holiness across the globe.

In our worship, we desire to surrender to and be fully devoted to one God—the Father, the Son, and the Holy Spirit. We are passionate about what is important to God.

Jesus calls those who follow Him to love God wholeheartedly and love their neighbors as themselves. Our desire is to demonstrate to the world the extravagant

love of God in the person of Jesus Christ.

We have been entrusted with a lifesaving and transforming message that we must share with others. Our witness is bold, compelling and fearless. Our mission advances when individuals become disciples of Jesus Christ and join God's mission to make more disciples.

Our Vision

Through the empowerment of the Holy Spirit, the Global Methodist Church envisions multiplying disciples of Jesus Christ throughout the earth who flourish in scriptural holiness as we worship passionately, love extravagantly, and witness boldly.

Through our ministries, we desire to share the whole counsel of God with all peoples and to advance the presence and fulfillment of the Kingdom of God in every part of the world and at all levels of societies and cultures. The Global Methodist Church is committed to the Lordship of Jesus Christ, the inspiration and authority of the Scriptures, and the work of the Holy Spirit in conveying God's truth and grace to all people.

We are a global church that recognizes and deploys the gifts and contributions of each part of the church, working as partners in the gospel with equal voice and leadership. Our witness to the world is marked by mutual love, concern, sharing, and a focus on those who are most vulnerable. We watch over one another in love and bear witness to the transforming power of the Good News as we humbly, but boldly, strive to serve others as ambassadors of Christ!
